

Feeling Frosty?

It's okay if you're a snowman, but if you need help keeping your home warm and saving money on your utility bills this winter, you should call:

Bedford Stuyvesant Restoration Corporation
Weatherization Assistance Program
1360 Fulton Street, 2nd Floor, Brooklyn, NY 11216
Tel: (718) 638-5705
Director – Wendell Rice

The U.S. Department of Energy's Weatherization Assistance program is the nation's core program for delivering energy efficiency services to low-income households. Professionally trained weatherization crews perform on-site home energy audits using state of the art equipment to identify outside drafts and inspect heating and cooling systems for efficiency. Weatherization crews install insulation, seal off air leaks, make modifications to (or replace) existing heating systems and make minor repairs to ensure safety. Once installed, these energy saving measures will help to reduce your heating and cooling costs for years to come.

You may qualify! But you'll never know unless you call us today!

WEATHERIZATION WORKS!
